

**December 16, 2010**

**McCOY APPOINTS DAVID A. BUCK AS OFFICER**

**Edmonton, Alberta – McCoy Corporation** (“McCoy” or “the Corporation”) (TSX:MCB) announced the appointment of David A. Buck as Senior Vice President effective December 14, 2010.

Mr. Buck was serving in the capacity of Vice President for the Corporation’s Drilling & Completions division and will now move into an executive role with the Corporation. Mr. Buck founded Superior Manufacturing & Hydraulics over 30 years ago in Lafayette, Louisiana, which was purchased by McCoy in 2007. Before founding Superior, Mr. Buck was a District Manager with Hydradyne Engineering Company in Lafayette, Louisiana.

Jim Rakievich, President & CEO, said “David will be an excellent addition to the Corporation’s executive team given his tremendous experience in the energy services industry. His leadership has been instrumental as we continue to grow McCoy’s presence in the energy services industry and we are very pleased David has accepted this role.”

**About McCoy Corporation**

McCoy provides innovative products and services to the global energy industry. McCoy’s two segments, Energy Products & Services and Mobile Solutions, operate internationally through direct sales and distributors with its operations based out of the Western Canadian Sedimentary Basin and the US Gulf Coast. McCoy’s corporate office is located in Edmonton, Alberta, Canada with offices in Alberta, British Columbia, Louisiana, and Texas.
