## McCoy Global Notice of Annual General Meeting and Record Date

Edmonton, Alberta - **McCoy Global Inc.** ("McCoy," "McCoy Global" or "the Corporation") (TSX:MCB) today provides notice that the Annual General Meeting (the "Meeting") of the holders of common shares ("Common Shares") of the Corporation will be held at McCoy's Corporate office, on the 23<sup>rd</sup> day of June 2022 at the hour of 8:00 a.m. MDT. The date for determination of the shareholders entitled to receive Notice of the Meeting and vote shall be holders of Common Shares of the Corporation of record at the close of business on May 20, 2022.

As a part of the Corporations' commitment to ongoing Board renewal and evolution, Mr. Christopher T. Seaver announced his decisions not to stand for re-election at the Meeting.

"Mr. Seaver has served McCoy and its shareholders with distinction since 2010 and has been instrumental in supporting McCoy through its significant transition to a digital and automated future. We remain focused on providing greater value for our customers with innovative smart technology solutions that maximize efficiency, reduce costs, while improving safety and wellbore integrity." said Mr. Freeman, Chair of the Board of Directors. "On behalf of all of the directors and management of the McCoy Global, I wish to thank both Mr. Seaver for his wise counsel, commitment, dedication and service."

Meeting materials, including McCoy's Management Information Circular and McCoy's Form of Proxy, will be made available on SEDAR and the Corporation's website ([mccoyglobal.com/investors](http://mccoyglobal.com/investors)) by close of business on May 27, 2022.

### Forward-Looking Information

*This News Release contains forward looking statements and forward looking information (collectively referred to herein as "forward looking statements") within the meaning of applicable Canadian securities laws. All statements other than statements of present or historical fact are forward looking statements. Forward looking information is often, but not always, identified by the use of words such as "could", "should", "can", "anticipate", "expect", "objective", "ongoing", "believe", "will", "may", "projected", "plan", "sustain", "continues", "strategy", "potential", "projects", "grow", "take advantage", "estimate", "well positioned" or similar words suggesting future outcomes. This New Release contains forward looking statements respecting the business opportunities for the Corporation that are based on the views of management of the Corporation and current and anticipated market conditions; and the perceived benefits of the growth strategy and operating strategy of the Corporation are based upon the financial and operating attributes of the Corporation as at the date hereof, as well as the anticipated operating and financial results. Forward looking statements regarding the Corporation are based on certain key expectations and assumptions of the Corporation concerning anticipated financial performance, business prospects, strategies, the sufficiency of budgeted capital expenditures in carrying out planned activities, the availability and cost of labour and services and the ability to obtain financing on acceptable terms, which are subject to change based on market conditions and potential timing delays. Although management of the Corporation consider these assumptions to be reasonable based on information currently available to them, they may prove to be incorrect. By their very nature, forward looking statements involve inherent risks and uncertainties (both general and specific) and risks that forward looking statements will not be achieved. Undue reliance should not be placed on forward looking statements, as a number of important factors could cause the actual results to differ materially from the beliefs, plans, objectives, expectations, anticipations, estimates and intentions expressed in the forward looking statements, including inability to meet current and future obligations; inability to complete or effectively integrate strategic acquisitions; inability to implement the Corporation's business strategy effectively; access to capital markets; fluctuations in oil and gas prices; fluctuations in capital expenditures of the Corporation's target market; competition for, among other things, labour,*

*capital, materials and customers; interest and currency exchange rates; technological developments; global political and economic conditions; global natural disasters or disease; and inability to attract and retain key personnel. Readers are cautioned that the foregoing list is not exhaustive. The reader is further cautioned that the preparation of financial statements in accordance with IFRS requires management to make certain judgments and estimates that affect the reported amounts of assets, liabilities, revenues and expenses. These judgments and estimates may change, having either a negative or positive effect on net earnings as further information becomes available, and as the economic environment changes. The information contained in this News Release identifies additional factors that could affect the operating results and performance of the Corporation. We urge you to carefully consider those factors. The forward looking statements contained herein are expressly qualified in their entirety by this cautionary statement. The forward looking statements included in this News Release are made as of the date of this New Release and the Corporation does not undertake and is not obligated to publicly update such forward looking statements to reflect new information, subsequent events or otherwise unless so required by applicable securities laws.*
